

# Joe's<sup>®</sup> Hand Cleaner

Joe's Display Units may be used in conjunction with all Joe's product lines and packaging designs. Our countertop displays are available in two configurations for optimal presentation of our 4 lb. 5 oz. can and 14 oz. tube products. Presenting a combination of Joe's colorful products will create an eye-appealing stimulant for the potential impulse sale.

Proudly made in America

# Building relationships one hand at a time
